To

The Hon'ble Finance Minister,
Govt. of Maharashtra,
MUMBAI.

Subject: Increase in Sales Tax on Dental Products.

Respected Sir,

On behalf of nearly 5000 Dentists and other numerous undergraduate and post graduate student members of our Association in State of Maharashtra, it is my sincere appeal to you to kindly continue Sales Tax at previous rate of taxes that is 4% instead of 13% which would be applicable now. To the best of our information this is the highest rate of tax applicable as compared to other States.

Reduction in Sales Tax would greatly help the Dental community to offer dental services at more affordable charges for the masses.

Hoping for a favourable response,

Thanking you in anticipation,

Yours faithfully,

(DR. VIJAY R. PETHE)
Hon. State Secretary,
Indian Dental Association,
Maharashtra State Branch,
THANE.
