URGENT:

Kind Attn: Dr S.K. Ojha

Dr Dibyendu Mazumdar
President
Dental Council of India
New Delhi

Dear Sir

Subject: Workshop on Dental Personnel Resources Management & Oral Healthcare Services Planning

I must, indeed, thank you for your enthusiastic participation at the above-cited Workshop.

The Workshop discussed the importance of utilisation of the web-based software on Dental Personnel Resources Management developed by IDA.

After detailed presentation and deliberation of the features of the system, it was unanimously agreed by all the stakeholders to implement the system so that a uniform pattern of registration of dental professionals can be established in the country.

May I, therefore, take the liberty of requesting you to kindly consider initiating action at your end, please?

I must add that IDA will only be happy to render any assistance needed in this regard.

With best personal regards,

Yours truly

Dr Ashok Dhoble
